About Us: Trinity County Veterans Wall of Honor Society is a Texas non-profit organization that is registered with the U.S. Internal Revenue Service as a section 501(C)(3) tax exempt entity (Fed.# 26-3490762) . Our membership is open to the public and all members; including the Board of Directors, are entirely non-paid volunteers. We exist to provide assistance to Trinity County Veterans, active personnel, and their families. We have found that many times either through “red tape”, rules, or regulations basic needs that our Veterans may have go unheeded. This is the special niche that our organization strives to fill. As just a few examples of our accomplishments, we have constructed wheel chair ramps for residences, provided and installed air conditioning/heating units, provided and installed hot water heaters, retrofitted bathroom facilities to accommodate the handicapped and elderly, repaired leaky roofs, and helped offset the fuel costs associated with travel to V.A. facilities for health issues and treatments.

We are able to do these things solely through the donations and contributions of generous individuals and corporations. We conduct an annual fund-raising campaign consisting of a raffle and auction held the last Saturday of each October. Each year, as word spreads of the good deeds we do, our success has grown thus allowing us to help more and more individuals. Over the years our fundraisers have consistently generated over \$12,000 - \$15,000 that we are able to use in our efforts.

Please feel free to contact any member listed below with any questions you may have, to offer an auction or raffle item, to make a donation or contribution, or to alert us to an area Veteran that may need assistance.
